

Paisley and District u3a

Data Protection Policy

Purpose

This Data Protection Policy ensures Paisley and District u3a complies with data protection law and follows good practice; protects the rights of members; is open about how it stores and processes members' data; protects itself from the risks of a data breach.

Scope

This policy applies to the work of Paisley and District u3a.

The policy sets out the requirements that Paisley and District u3a has to collect and process information for membership purposes. The policy details how personal information will be collected, stored and managed in line with data protection principles and the General Data Protection Regulations. The policy is reviewed on an ongoing basis by Paisley and District u3a Committee Members to ensure that Paisley and District u3a remains compliant. This policy should be read in tandem with Paisley and District u3a's Privacy Policy.

General guidelines for Committee Members and Group Leaders

The only people able to access data covered by this policy should be those who need to communicate with or provide a service to Paisley and District u3a members.

Committee Members and Group Leaders should keep all data secure, by taking sensible precautions and following the guidelines below:

- strong passwords must be used, and they should never be shared
- data should not be shared outside of the u3a unless with prior consent and/or for specific and agreed reasons. Examples would include Gift Aid information provided to HMRC or information provided to the distribution company for the Trust publications.
- Member information should be refreshed periodically to ensure accuracy, via the membership renewal process or when policy is changed.

Data protection principles

The General Data Protection Regulation identifies key data protection principles:

- Principle 1 – personal data shall be processed lawfully, fairly and in a transparent manner
- Principle 2 – personal data must be collected for specified, explicit and legitimate purposes and not further processed in a manner that is incompatible with those purposes; further processing for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes shall not be considered to be incompatible with the initial purposes
- Principle 3 – the collection of personal data must be adequate, relevant and limited to what is necessary in relation to the purposes for which they are processed
- Principle 4 – personal data held should be accurate and, where necessary, kept up to date; every reasonable step must be taken to ensure that personal data that are inaccurate, having regard to the purposes for which they are processed, are erased or rectified without delay
- Principle 5 – personal data must be kept in a form which permits identification of data subjects for no longer than is necessary for the purposes for which the personal data are processed; personal data may be stored for longer periods insofar as the personal data will be processed solely for archiving purposes in the public interest, scientific or historical research purposes or statistical purposes subject to implementation of the appropriate technical and organisational measures required by the GDPR in order to safeguard the rights and freedoms of individuals
- Principle 6 – personal data must be processed in accordance with and in a manner that ensures appropriate security of the personal data, including protection against unauthorised or unlawful processing and against accidental loss, destruction or damage, using appropriate technical or organisational measures.

Lawful, fair and transparent data processing

Paisley and District u3a requests personal information from potential members. Members' details are recorded on membership applications. Members' details are useful for sending communications regarding members' involvement with the u3a. Members will be informed as to why the information is being requested and what the information will be used for.

The lawful basis for obtaining member information is due to the legitimate interest relationship that the u3a has with individual members. Paisley and District u3a members will be informed as to who they need to contact should they wish for their data not to be used for specific purposes for which they have provided consent. Where these requests are received, they will be acted upon promptly and the member will be informed as to when the action has been taken.

Processed for specified, explicit and legitimate purposes

Members will be informed as to how their information will be used and the Committee of Paisley and District u3a will seek to ensure that member information is not used inappropriately. Appropriate use of information provided by members will include:

- communication with members about Paisley and District u3a events and activities
- Group Leaders communicating with group members about specific group activities
- member information will be provided to the distribution company that sends out the Trust publication – Third Age Matters. Members will be informed and have a choice as to whether or not they wish to receive the publication
- sending members information about Third Age Trust events and activities
- communicating with members about their membership and/or renewal of their membership

Paisley and District u3a will ensure that Group Leaders are made aware of what would be considered appropriate and inappropriate communication. Inappropriate communication would include sending u3a members marketing and/or promotional materials from external service providers.

Paisley and District u3a will ensure that members' information is managed in such a way as to not infringe an individual member's rights, which include:

- the right to be informed
- the right of access
- the right to rectification
- the right to erasure
- the right to restrict processing
- the right to data portability
- the right to object

Adequate, relevant and limited data processing

Members of Paisley and District u3a will only be asked to provide information that is relevant for membership purposes. This will include:

- Membership ID and Status
- Subscription preference, i.e. Individual, Joint or Affiliate
- Name and Postal address
- Telephone number – Landline and/or Mobile
- Email address, if available
- Emergency Contact Name and Telephone Numbers(s)
- Included on mailing list for u3aMatters magazine

- Consent preference for photographs with their image being used in Paisley and District u3a newsletters, website and other media releases for the promotion of the u3a.

Where additional information may be required such as health related information, this will be obtained with the consent of the member who will be informed as to why this information is required and the purpose that it will be used for.

Where Paisley and District u3a organises a trip or activity that requires emergency contact information to be provided, the member will gain consent from the identified emergency contact.

Photography Guidance

Photographs are classified as personal data. Members and guests will be made aware when photographs or videos are going to be taken for Paisley and District u3a media. It will be explained what the intended use of the photography is (e.g. newsletter, information leaflet, slides, poster, website, social media, or press/media). Photography will not be captioned with individual names without seeking prior verbal/email consent.

If anyone does not wish to be photographed, they should step out of shot to avoid being in any photography. Should a member or visitor subsequently wish to withdraw their consent to have their image used then they should contact the Membership Secretary to advise that they no longer wish their image used in Paisley and District u3a media.

Paisley and District u3a, acting on behalf of its individual members and guests, will hold the copyright to such photography. Permission must be sought from our u3a if anyone wishes to reproduce such copyrighted material elsewhere. Our u3a will acknowledge copyright where an external agency/ photographer created a photography that is being used by Paisley and District u3a media. For further information please contact the PR Advisor via the Paisley and District u3a website

Accuracy of data and keeping data up to date

Paisley and District u3a has a responsibility to ensure members' information is kept up to date. Members will be informed to let the Membership Secretary know if any of their personal information changes. In addition, on an annual basis, the membership renewal process will provide an opportunity for members to inform Paisley and District u3a as to any changes in their personal information.

Accountability and governance

Paisley and District u3a Committee is responsible for ensuring that the u3a remains compliant with data protection requirements and can evidence that it has. Where consent is required for specific purposes then evidence of this consent (either electronic or paper) will be obtained and retained securely. Paisley and District u3a Committee will ensure that

new members joining the Committee receive an induction into the requirements of GDPR and the implications for their role.

Paisley and District u3a will also ensure that Group Leaders are made aware of their responsibilities in relation to the data they hold and process. Committee Members will stay up to date with guidance and practice within the u3a movement and will seek advice from the Third Age Trust national office should any uncertainties arise,

Paisley and District u3a Committee will review data protection requirements on an ongoing basis as well as reviewing who has access to data and how data is stored and deleted. When Committee Members and Group Leaders relinquish their roles, they will be asked to either pass on data to those who need it and/or delete data.

Secure processing

Paisley and District u3a Committee Members have a responsibility to ensure that data is both securely held and processed. This will include:

- Committee Members using strong passwords
- Committee Members not sharing passwords
- restricting access of sharing member information to those on the Committee who need to communicate with members on a regular basis
- using password protection on laptops and PCs that contain personal information
- using password protection when accessing a membership database or sharing data between Committee Members and/or Group Leaders
- paying for firewall security to be put onto Committee Members' laptops or other devices

Subject access request

u3a members are entitled to request access to the information that is held by Paisley and District u3a. The request needs to be received in the form of a written request to the Membership Secretary of Paisley and District u3a. On receipt of the request, the request will be formally acknowledged and dealt with expediently (the legislation requires that information should generally be provided within one month) unless there are exceptional circumstances as to why the request cannot be granted. Paisley and District u3a will provide a written response detailing all information held on the member. A record shall be kept of the date of the request and the date of the response.

Data breach notification

Where a data breach occurs, action will be taken to minimise the harm. This will include ensuring that all Paisley and District u3a Committee Members are made aware that a breach has taken place and how the breach occurred. The Committee shall then seek to

rectify the cause of the breach as soon as possible to prevent any new ones. The Chair of Paisley and District u3a will contact the national office as soon as possible after the breach has occurred to notify of the breach.

A discussion will take place between the Chair and national office as to the seriousness of the breach, action to be taken and, where necessary, the Information Commissioner's Office would be notified. The Committee shall also contact the relevant u3a members to inform them of the data breach and actions taken to resolve the breach.

Where a u3a member feels that there has been a breach by the u3a, a Committee Member will ask the member to provide an outline of the breach. If the initial contact is by telephone, the Committee Member will ask the u3a member to follow this up with an email or a letter detailing their concern.

The alleged breach will then be investigated by members of the Committee who are not in any way implicated in the breach. Where the Committee needs support or if the breach is serious, they should notify national office. The u3a member should also be informed that they can report their concerns to national office if they don't feel satisfied with the response from the u3a. Breach matters will be subject to a full investigation, records will be kept and all those involved notified of the outcome.
